Coronavirus Infectious Disease-19 Central Disaster and Safety Countermea Headquarters Regular Briefing

-Preparations and plans for distancing in daily life-

The Coronavirus Infectious Disease-19 Central Disaster Safety Countermeasures Headquarters today, presided over by Jung Sye-gyun, headquarters (Prime Minister), at the Central Disaster and Safety Situation Room of the Seoul Government Complex, checks the current Corona 19 and measures taken along with each central government department and 17 cities and provinces. The preparations and implementation of the distance setting were discussed.

At this meeting, headquarter Sye-gyun Jeong urged local governments to actively participate in the process so that a final draft of a plan can be produced in the future, such as submitting opinions after reviewing the draft guidelines for distance in life.

In addition, it was emphasized that all central ministries, local governments, and public institutions should participate in the proposal of small businesses through prepayment and pre-purchase to boost domestic demand and vitalize the economy.

Meanwhile, after receiving a recommendation from the governor of Chungcheongnam-do that the current food culture vulnerable to diseases needs to be improved, related ministries such as the Ministry of Agriculture, Food and Rural Affairs ordered an in-depth study on countermeasures so that new food culture standards could be created and put into practice.

1. Preparations for implementing distance in life

The Central Disaster and Safety Countermeasure Headquarters shared the progress of the implementation and checked the preparation with 'Keeping distance in life'.

Each ministry has prepared guidelines for quarantine for public facilities that are being suspended, and plans to resume the phased opening of public facilities under their jurisdiction.

The government has published (4.22, 4.24) a draft of the basic guidelines for individuals and groups and detailed guidelines for each of the 17 ministries and 31 types, and opinions on detailed guidelines are being collected for each ministry.

-The Ministry of Culture, Sports and Tourism collects opinions in various ways, including interviews with related industries such as performance indoor sports facilities* and online disclosure to the general public.

* Performing arts conference (4.23), movie theater visit and opinion gathering (4.27, Sejong CGV), indoor sports facility meeting (4.27)

-The Ministry of Land, Infrastructure and Transport collects the opinions of the transportation operating organizations and the public through the website to prepare detailed guidelines for public transportation for life prevention (4.25~27).

In addition, each ministry organizes a life quarantine team (TF) for each institution to comprehensively and systematically perform life-related tasks.

부처별 생활방역 전담팀에서는 소관 분야시설의 특성 반영과 이해단체 의견수렴을 통해 일상과 방역이 조화된 지침을 마련하고, 지침 확정 후에는 현장에서의 이행상황 점검 및 애로사항 해결, 문제 발생 시 조치방안 등을 사전에 준비할 계획이다.

2. 요양병원 등 집단감염 차단을 위한 방역 조치

중앙재난안전대책본부는 코로나19 확산 이후 3월 18일부터 대구 지역에서 요양병원, 생활시설 등 고위험 집단시설 394개소에 대해 조사 현황을 파악하였다.

* 요양병원 67개소, 노인시설 258개소, 장애인시설 51개소, 노숙인·정신·결핵 관련 시설 18개소

종사자, 생활인, 입원환자 총 33,610명*을 대상으로 검사를 실시한 결과, 현재(4.25일 21시 기준)까지 총 322명이 확진 판정을 받았다.

* 종사자 13,215명, 생활인 10,159명, 입원환자 10,236명

- 다수 확진 환자가 동시 발생한 시설은 증상 유무와 상관없이 주기적으로 재검사를 실시해 총 75명이 추가 확진 판정을 받았다. 앞으로 확진 환자 발생 상황을 고려하여 집단감염이 발생한 시설·병원을 대상으로 주 2회 주기적으로 재검사를 실시할 계획이다. 한편 대구시 사회서비스원은 감염 확산으로 서비스 제공이 어려운 요양병원과 생활 시설을 지원하기 위해 긴급돌봄서비스를 지원

시설 종사자 확진 등으로 서비스가 중단되었거나 중단될 시설에 3월 9일부터 요양보호사 등 대체인력을 지원해 현재까지 총 6개
을 지원하였으며,

* 장애인 거주 시설 740명, 노숙인 시설(2곳) 19명, 장애인 지역공동체 65명, 노숙인 자활시설 5명, 지역아동센터 20명

요양병원 확진 환자의 생활 지원을 위해 요양병원에 4개소에 3월 12일부터 1,187명의 돌봄인력(간병사)을 파견해 노인, 장애인 등
생활에 불편함이 없도록 지원하였다.
